Subject: hey lady!
how ya d oing marianne!? How are things going at the job? I hope you are enjoying your summer. Everythings going fine h ere, just hectic.I was wondering if you knew who had signed up for what committee within Beta Sigma Phi. I am trying to put together a mtg for the planning committee to plan our social s for the year BEFORE WE BEGIN OUR ACTUAL YEAR, and I don't know who signed up to be on that committee? Do you know, or do you know who might know? I left a message with Ruth, so hopefully between the two of you, I will get an answer. If you are interested in being on the committee, also please let me know. The more organized we can start the year off, the quicker and easier i think the meetings will be.Well, look forward to hearing from ya. Take care, Cathy
