Tracy, I really need this form in its most current version. If you don't have time to check on it, could you please give me the number of the person at GSA that I need to call. I don't mind doing it myself. It has been over three months since my title changed. Surely they would have the form available by now. The last change took only a few weeks to come through.

Subject: Re: Personnel FormsI haven't received a copy back from GSA of your title change. I'll call them and find out why and let you know. I can give you the special assistant one now. Come see me when you get back in the office for it.

Subject: Personnel FormsDo you have SF50s (the personnel form that lists titles and salaries) that list my "special assistant" and then "associate director" titles? If you do, can I get copies for my personal records. If you don't, can I request a copy of at least the "associate director" one? I need to be able to "demonstrate" my current title and salary level to future employers both now and in the future. Thanks.
