Subject: Leave Slips--Repurcussions of Not Using (Oh Shit)
Tracy inquired after your absence Friday and found out (through me) that you had an informal deal worked out with Jim to make up for Friday's early departure on Monday, by working late Monday. She put a halt to all that by telling me it was quite illegal, etc. and had to stop. I was surprisewd at the vehemence of her disapproval. She even said she would talk to you on Monday.

_So, this is a heads-up. I feel very bad about this. I tried to take the blame, but I'm not sure it worked. I realize you handled this just the way I had told you. I'm sorry. But the new policy is that I must sign all leave slips, and ahead of time. Sorry for any inconvenience my laxity in these matters causes you on Monday. (My advice to you is to just listen, say "aye-aye," let her charge you annual leave, and forget about it.) This really is my fault.
Body: Sorry, man.
