AMSubject: Prof. AfanassievDear Boris,I am writing to you from my office e-mail. I hope that you are well. I mailed the letter to your daughters on the day I returned from Warsaw.I will be attending a conference next week in Ohio and I will be on a panel that includes Yuri Afanassiev. I would like to send an e-mail version of my paper to him, but, as far as I am aware, he does not have e-mail. Would it be possible for you to deliver a paper to him?I am attaching a copy of the paper. It is approximately 50 pages long and contains 127 footnotes. It is being sent in WordPerfect for Windows. The subject is on constitutional and international law rules relating to religion in 10 Central and Eastern European countries, including Russia. It has a short section on the new Russian law. It might even be something that you would be interested in reading.If you are unable to open the document, I can try sending it in other formats.Please let me know how you are doing.Best of wishes,Jeremy Gunn
