Subject: call from Frank Fountain

Frank Fountain called again to say that he has just learned that Senator Rudman's mother passed away this morning, and he is leaving for New Hampshire today. So, the 6th is not really an option. Senator Rudman is available to come on August 25th. I hope to be able to confirm his appointment with the Board on the 25th, but I will wait to talk to Jack before I place it on the agenda.

Frank Fountain called today to say that he would like to reschedule Senator Rudman's August 6 appearance before the Board. At first, Fountain was saying that your request to review an additional 15 boxes at NARA would make PFIAB's presentation premature. In response to this argument, I told him that I thought that PFIAB ought to plan to come, anyway, and present its general position on the confidentiality of its records. I suggested that any discussion between PFIAB and the Board might prove to be helpful to our review of additional records. Then, Fountain told me what I suspect is the underlying reason that he is hoping to postpone the meeting -- his aunt died on Saturday, and he very much hopes to be available for his family at the funeral on Wednesday or Thursday. I told him that I understood, and that I would pass his request on to Jack. I have left a message for Jack, and I will let you know what he says.
