Subject: PFIAB
Steve Tilley called today to say that Nancy Smith from NARA GC's office called him about access to PFIAB records. I explained to him that you wanted to review 15 boxes and that I thought you had the appropriate clearance. I told him that I thought that Ben would also be reviewing the records and asked whether he wanted us to fax Ben's clearance to NARA. Steve said that you should call Nancy Smith when you come in on Tuesday.
