His officenumber is (301) 654-1550. CIA-oops - CIS is in Maryland and should be listed inthe 'phone book. My suggestion is that you send him a letter and resume andthen follow up with a telephone call. I want to actually use the JFK data base for some research. Steve Tilleytells me that the ARRB data base is far superior to his and that you know allabout it. I'm not very good at using data bases effectively since my researchskills were honed in the dark ages. Anna
