Subject: Chapter 6

Sorry, I don't know why the computer did not take your name.To: Laura Denk/ARRB, Kevin Tiernan/ARRB, Ron Haron/ARRB, Irene Marr/ARRB, Douglas Horne/ARRBcc: From: Michelle Combs/ARRB Date: 08/05/98 09:02:43 AMSubject: Chapter 6The most recent version of Chapter 6 will be delivered to you shortly. I have marked the holes and noted the person best able to fill them. This chapter includes all sections I have been given thus far. If I have not included a section, if there are any errors, or if I have you writing a section you don't think you should, please let me know. Please feel free to mark up your copy and leave any corrections on my chair. I will make the corrections on the master copy.Please continue sending me future additions and changes separately and I will include them in the latest version. It would help me if you could follow the latest organizational structure of Chapter 6 rather than the old outline.As you know, the Board has asked to see a version of Chapter 6 onThursday. I can incorporate any changes or additions that reach me by close of business on Wednesday. Laura has asked for a reasonably complete draft by August 17. Please have all final efforts to me by Friday, August 14 if at all possible.Thank you all for your efforts.
