Barbara McKinney called and gave me the following dates:August 7 (since Board is here tomorrow I told her we probably couldn't make arrangements)August 10 - 14 (I told her I imagined we would work out a date during that week)August 28I told her we would check with Jeremy (probably not until tomorrow) and get back to her with a date and travel info. He does want to come in the night before the depo. She asked about Dulles. I did mention that since it was to be at NARA in College Park he would probably want to come into National or BWI and might want to stay in College Park or Silver Spring.Tracy would know the good places to stay. We can check on flight times to various airports when we know more about a date.
