Subject: McClelland

Ron needs to call Dr. McClelland at his office this morning. He will be there about 10 a.m. our time. I spoke with him at home this morning. He has had second thoughts and does not want to come here and says he has nothing to add to what he has already said (he said we might want to refer to what he told AMA about three years ago). He said he has been working on some things with publishing deadlines, etc. and just doesn't have the time, as this is an extremely busy time of year for him. He also mentioned he spoke with Dr. Peters this weekend and told him the same thing. I have not called Peters again. When I spoke with Peters on Friday, he was amenable to plans going forth. Note: I did not get Dr. McClelland's SSN.
