Subject: Favor to ask, re: T-drives and final reports

Body: I don't think I can access the T-drive from here (please correct if I'm wrong); I just e-mailed the draft of Chapter 1 into Jeremy. Would you do the double-spacing thing for me (if in fact Jeremy or someone put the draft into the T-drive at all)? Alternatively, I could double-space it here in my word-processing files (I think I know how...) and re-email it...Sorry. Any thoughts?P.S. Was in Blockbuster Video w/Carolyn on Sat. night and saw a new ("the" new?) Zapruder film video, with a quote from Anna on the back of the video cover???
