Subject: package to editor
FYI.To: Jerrie Olson/ARRBcc: From: Laura Denk/ARRB Date: 08/11/98 04:56:17 PMSubject: package to editorI printed a full copy of the final report, coordinated with Peter to put everything on disk, did my cover letter, made one copy of my cover letter, and created my FedEx package to send the final report to the editor. I would ask only that you (1) route the FedEx slip to whoever needs it, and (2) make copies of the letter (one FYI copy each for Tracy and for me and whatever chron copies you need.) We do not need a document summary for this letter. Thanks.
