Subject: FBI

Ron, Last Friday, Kevin and I met with Carol and LuAnn to discuss outstanding FBI issues. A few compliance-related/Ron issues came up and I wanted to let you know about them. First, with regard to the index cards for the core file subjects that you requested in our last compliance meeting, Carol asked whether she could transfer the index cards directly to Steve Tilley at NARA. I told her that she could and that she should then make reference to the transfer in the FBI's final compliance statement. With regard to the "accumulated release list" that you asked the FBI to attach to their compliance statement, LuAnn said that that the FBI's release list will be growing throughout the month of September. She would be happy to give you the list as it exists when they turn in their statement in mid-August, but I told her that I would tell you that it is an evolving document. If you have any questions, let me know. Thanks, Laura
