Subject: John Mason of Kaufman-Silverberg Law Firm Called Doug Horne

CALL REPORT: PUBLICDocument's Author: Douglas Horne/ARRB Date Created: 08/12/98 The Players
Description of the Call Date: 08/12/98Subject: John Mason of Kaufman-Silverberg Law Firm Called Doug
HorneSummary of the Call:John Mason called this date and identified himself as the replacement for Jeff
Kleinmann as P.O.C. with the Review Board and Kodak. I explained to him, at his request, the types of interface
Jeff Kleinmann and I had in the past; namely, attempting to coordinate the logistics of setting up Kodak's
photographic shoot of the original Zapruder film and the 3 first generation copies, in support of the written
technical report Kodak is doing for the ARRB.He asked if the evolution was tentatively scheduled to start this
coming Monday, August 17th; I said yes, with the proviso that LMH CO., through Mr. Silverberg, agrees to the
ARRB-proposed Deed-of-Gift sent to them for review on July 21. I told him we were not going to arrange Rollie
Zavada's travel unless LMH Co. approved the Deed-of-Gift. He said Mr. Silverberg "has not (approved the Deed-
of-Gift)," did not give a reason, and said that unless I hear otherwise I should consider the event temporarily
cancelled.I told him I expected to be meeting with our General Counsel and our Executive Director this
afternoon to discuss where we stood on this evolution anyway, and that if I had anything to report to him, I
would call him back, perhaps this afternoon or tomorrow. I also said that I believed our new General Counsel
would be in touch with Jamie Silverberg soon, in any case. END
