Subject: Good News About Rollie Zavada
He doesn't need to come to Washington! He has all the photos he needs from last year, and will go ahead and use them within the body of his report as originally intended. We simply will forego photographing the LMH Co.'s first-generation copy---that is a non-starter, given their uncooperative attitude. But Rollie will recommend in his report that it would be a "nice to do" in the future, and state why. He is very pleased, and can now write a "bang-up" report. And we save travel money---which can now be used (presumably) to fund Jeremy's trip to Dallas.
