I have a dentist appt. tomorrow afternoon at 2:30 so am going to take the whole day off (combined sick and annual). I can be reached at home or by pager (except from 2:30 to 3:30 or so). Please don't page me while the dentist has tools in my mouth!! I am expecting a call (hopefully) from Cassandra Browner at GSA. I really need to speak with her and she is not in everyday so if she calls please either transfer her to me at home or give her my home number and ask her to please call me -- 301-464-1789.Thanks.
