**Subject:** Elliott  
Tracy:When Jack called yesterday, he asked whether we had finalized Elliott's contract and I told him that I had not, but that I would do it right away. The contract that Elliott sent to me looks fine, but I did add a line saying that he agrees that he will not release any content of the report until we make it available to the public. Will you take a last look at it to make sure that the terms in it are consistent with your budgetary guidelines (e.g. the term that talks about payments being made every two weeks)? I am going to leave it on your chair, and then if it looks okay to you, will you fax it to him? Thanks,Laura
