**Subject:** Aileen Summerlin of IRS  
Called me again today (for the third time this week).The news was good, I think. She said she had completed her attempt to answer my list of questions about Oswald's employers and the two Memphis IRS letters, and would hand-deliver them Tuesday of next week.She said it was difficult to write sanitized answers (that would be persuasive) to questions about IRS information, but that she had done her best.I told her I looked forward to meeting with her on Tuesday.
