**Subject:** orders for transcripts  
a handful of additional orders have come in today. I just got off the phone with a man who would like to order a set. He asked if he could fax a copy of his order form and money order, and then send it express mail to arrive here on Monday. I said "fine" while indicating that we were being very nice to do this.Nothing yet from the three I wrote about yesterday -- Backes, Holland, and Morley.
