Subject: Database list first draft

Body: Here is a WP attachment with all of the database files on the server.I have made a first pass at giving them an
recstat: ID. I will working thru the rest this week.Please take a look and let me know which ones that you think we
should NOT save. Also I will need some lang. on how this applies within our record retention system. As you
will note most of the files are duplicates or Lotus Notes internal programming files.thanks.
