PMSubject: letter draft to Vezeris at Secret servicel put both the old and new draft on your desk. In case you can't read my sloppy wriating, please note that on pg. 6 of the old draft there were changes on footnote 3. I was unable to make that change because I could not access the footnote. Pls let me know how to do this and I will then make the change.I am leaving for lunch shortly and will be back just before 2. Pls let me know any further changes and I will gladly make them quickly for you.Another boo boo I made: I did not bold the changes on teh first 2 pages, because I forgot to use bold, but i did make the changes. I will bold them when I get the rest of the changes from you if thats ok.
