Subject:	need more file space
Body:	To: Tracy Shycoff/ARRBcc: (bcc: Non-Record/ARRB)From: Cathy Rodriguez/ARRB Date: 09/08/97 12:29:39 PMSubject: need more file spaceI am running out of file space. One solution I thought of would be to move all of 4.0.5 into the SCIf (that's depositions and interviews). This would help out tremendously in terms of creating more space in the four series out front (at my desk) and since many 4.0.5 files are already in the SCIF I think it makes logically more sense. Let me know what you think. I also need your advice and thoughts on where within the SCIF I can have more space - existing area in 2a is being encroached upon and is not large enough for 4.0.5 Thanks, Cathy
