Subject:	talk about SCIF "in box"
Body:	To: Jeremy Gunn/ARRBcc: (bcc: Non-Record/ARRB)From: Cathy Rodriguez/ARRB Date: 09/05/97 11:45:41 AMSubject: talk about SCIF "in box"At your convenience, I would like to talk to you about specific areas you would like me to place things in the SCIF that need your review. For lack of a better term I will call it the SCIF in box. I cite the NSA docs as an example of why I need some more clarity please. Thanks, CathyPS - At some point, preferably sooner than later, I would like to go through D. Montagues scif files with you and clear that out for good, or at least get more guidance from you on that. Thanks! How does Friday September 19th sound?
