Subject:	Dave Montague's scif files
Body:	To: Jeremy Gunn/ARRBcc: (bcc: Non-Record/ARRB)From: Cathy Rodriguez/ARRB Date: 08/21/97 10:49:38 AMSubject: Dave Montague's scif filesJeremy, I have not asked Dave about this to ensure this is correct, but I believe there are still files to be gone through in the SCIF which he and I felt your presence was necessary for guidance in terms of where to place certain items. Additionally, there were also several 7 series items, which as you know is a file series I don't have institutional knowledge on, nor do I handle. My question is whether we need to go through these with Dave when he comes back on Friday (although I don't know if he is technically on leave on Friday and whether or not it would be appropriate to ask him that day) or if you and I and whomever else should set up a convenient time for all to go through it together at some later date. Cathy
