Subject: Doug Horne Called Ken Vrtacnik
CALL REPORTDocument's Author: Douglas Horne/ARRB Date Created: 08/18/98 The Players Description of the Call Date: 08/18/98Subject: Doug Horne Called Ken VrtacnikSummary of the Call:I asked Mr. Vrtacnik whether he had ever had any association with the Zapruder film, the JFK autopsy photographs, or JFK autopsy x-rays, in any way, shape or fashion, and he gave me an emphatic "NO" for an answer.He did independently recall, however, that he had seen a section of President Kennedy's brain on display at AFIP (thus confirming his story of November 1996 to the ARRB).I informed him of the nature of the Joseph Scovitch "leads," and he thanked me. (See Joan Schilling "Contact Profile.") END
