Subject: a fax from PFIAB

This is really from Tracy -- this email should have been designated a record. You weren't at the staff meeting the other day but we discussed this issue some. If the email contains anything about work here at the Board it should be designated a record. We also asked that people slow down on the personal emails so that we don't have that many to clean up between now and September 30. If you have any questions, let me know.To: Michelle Combs at IPcc: (bcc: Non-Record/ARRB)From: Cathy Rodriguez/ARRB Date: 08/20/98 10:02:41 AMSubject: a fax from PFIABcame in for you via classified fax. I put it on the counter immediatelly to your right upon entering the SCIF. It has a page with your name on it on the front with a paperclip. Please let me know if it is top secret b/c it will then need to be logged. it was not identified as top secret or just secret, so please let me know. thanks, cathy.
