**Subject:** Ballistics meeting

Jack, As Debbie may have already told you, a meeting on the ballistics testing had been tentatively schedule for September 3 at NARA II. The meeting has been confirmed for the 3rd at 10:00. I plan on attending the meeting but assumed that you would like to be there as well (I told Steve to count on us both being there at this point until I talk to you). Debbie and I spoke about this last week and I think she is holding your calendar open for that day pending confirmation of the meeting. In anticipation of your coming here I have reserved a room for you at the Mayflower for the night of September 2 at the govt. rate of \$126 guaranteed against your credit card. The confirmation number is 80262544. We can talk more about the details while you are here this week. Let me know if you would like me to do anything else with this. Thanks. Tracy
