Subject: Bill Moore--Autopsy Notes Lead
CONTACT PROFILEDocument's Author: Douglas Horne/ARRB Date Created: 08/26/98Contact Description
Salutation: Contact Name: Mr. Bill MooreCompany: Title: Category: General PublicStreet Address: City:
State/Province: ZIP/Postal Code: Phone Number: (305) 271-9286FAX Number: E-mail Address: HSCA Letter
Sent: Additional Information Mr. Moore's name was provided by Professor McAdams and Ms. Barb
Jukkarinen; they passed on to the ARRB staff a "lead" that they obtained from Mr. Moore, to wit: that Moore
knew of a female Pathologist at Bethesda NNMC (purportedly Chief of Infectious Diseases) who at some point
(circa the mid-1980s) saw some notes from JFK's autopsy. They recommended we pursue the lead.Initial
attempts to call him were unsuccessful---I received a "disconnected" recording.Subsequently, these two
researchers verified that the number was indeed in working order, and asked us to continue to pursue the
lead.
