Senor Ramirez is not available to meet with Jack this Thursday due to travel. Aline said he would be free next week, however. I don't know what the Board's agenda will be on the 8th, but if you could give me an idea of any open time, I will call them back and schedule something. Also, thank you so much for writing the letter. It looks great, but I might have a slight change. If it's easier for you, you can e-mail me the copy and I can just make the change and then print on letterhead tomorrow.
