**Subject:** ballistics meeting  
I just found out that they are going to begin the testing tomorrow afternoon after the meeting. Depending on how long all this stuff takes and what time it is, I may not be able to make it into the office since I can't stay late tomorrow (I'm taking Alex to her 1st grade ice cream social at her new school so that her parents can go to Steven's new school orientation!) In any case, I will keep in touch and let you know as soon as I know anything.
