Subject: Getting the Final Report Ready for the Board on Tuesday
Jerrie:Thank you so much for your terrific work on Chapter 6 this week, and thanks especially for staying so late last night.I know you will be out of the office first thing this morning, but I wanted to let you know when you do get in that I'm planning to close the office early today, in the time-honored office tradition of extending long weekends to include Friday afternoon. I am, however, going to need help on a few little things before everyone heads out for Labor Day weekend.Could you print the best copy we have of Bill Joyce's chapter and make 10 copies of it, each with holes punched in the left side? I will also need to have you make some labels for the notebooks. When you get in, come see me and I'll show you the label size and the text I will need.
Body: Thanks,Laura
