11:09:01 AMSubject: Marty UnderwoodI just spoke with Underwood and told him we really needed to get his
statement under oath for the record before we shut down in September. Once again he told me about his
feeble physical condition. I stressed that it would be in his interest as well to have his statement on the record.
He thinks he'll be ready to meet with us in June. I told him I'd call him at the end of May to set up a time and
date for June and that we would make it as easy as possible in terms of time, place, transportation, etc. I also
offered to send him questions in advance if he would find that helpful.
