**Subject:** Microfilm from the JFK Library  
To: Jeremy Gunn/ARRB, Phil Golrick/ARRBcc: (bcc: Non-Record/ARRB)From: Michelle Combs/ARRBDate: 02/25/97 02:58:33 PMSubject: Microfilm from the JFK LibraryStephanie and I believe we have tracked down our missing package. Federal Express says they tried to deliver it Monday morning but could not find the office. The delivery person did not consider that ARRB (listed on the shipping form) could stand for the Assassination Records Review Board which he saw listed on the signs. The package has been sitting at their way station (with our phone number on the shipping form) ever since. Apparently no one thought to call us. Federal Express is going to try and deliver the package tomorrow morning.
