To: Kim Herd/ARRBcc: (bcc: Non-Record/ARRB)From: Irene Marr/ARRB Date: 02/25/98 12:48:42 PMSubject: LBJ ReferralsThe library received the package of Warren Commission docs. Regina Greenwell, the archivist handling these records, spoke with Steve Tilley to get the background. What she told me didn't mean much to me - they thought this set was a copy of records that are somewhere else in the collection? Since there is no real way of knowing, (I couldn't answer the question and apparently Tilley didn't know, if you do feel free to enlighten us. . .) Regina said they are just going to process them and she believes a lot of them have been opened before. I don't know exactly when they'll be done but they are working on them.
