As I discussed in the last No Name meeting, as well as in a separate meeting with Ron and Michelle on 1/6, these files still need to be reviewed for AR interest. I made arrangements with Marvin Russell at NARA to go through the files listed in Ron's memo. I am actually going out there today and will make a determination as to what remains classified and what is open to the public. I will also determine whether or not I will need further assistance to complete this task.To: Irene Marr/ARRBcc: Michelle Combs/ARRB, Ron Haron/ARRB From: Jeremy Gunn/ARRB Date: 01/12/98 07:37:17 AMSubject: Ron's 12/29 memo on State recordsAre there any issues outstanding on Ron's memo? (I have a copy if needed.)
