Subject: CIA MOU
Barry Harrelson called me this morning and asked what the Board's reaction was to the MOU. Lee Strickland and CIA OGC have asked him what the Board's position is. If you and/or the Board have concerns or questions about the MOU, Barry wanted you to know that he is available to meet with you and he also would like to have CIA address the Board, if necessary, to answer any of their concerns or questions. I told Barry we would get back to him today.
