Subject: Board schedule for Monday Sept 14
Thanks to Ben's wonderful efforts, the PFIAB documents and a stack of NSA documents will be ready for the Board's vote on Monday. The Board said they did not want to review the PFIAB documents again but I don't know if they will want time to review the 100+ NSA documents. (In the past, an hour was allotted.) If time is short, I can do a quick briefing and show them a few of the documents. According to Ben, this is not a particularly interesting batch.
