Bill,I am currently incorporating your comments into the chapter on the public activities of the Review Board, and I have a quick question. You attached a post-it note that reads, "Review Board session with Kermit, Jack, and me in San Diego; I was at session last week."With regard to your presentation in Florida, could you e-mail me the name of the conference and the topic of your presentation? Similarly, with regard to your visit to San Diego, were you present for the SAA meeting that we mention in the chapter, or are you referring to a different visit? Once I hear from you, I'll incorporate those two events into the chapter.Thank you again for calling today, and I look forward to seeing you on Monday.Take care,Laura
