**Subject:** Joe Freeman

We need to talk about getting Joe's files from him and briefing him out of his clearance and employment. Jeremy and I at one point had decided to bring him back to town one more time to do this. What do you think about that? It would be a quick trip and probably not more than \$500 including airfare. I know that you have alot else going on, but if we are going to do this we need to do it soon so we should decide asap. Thanks and hang in there!
