**Subject:** office Phone list

As you may know, Janice was in the hospital for over a week and has now been released. We hope she will be back next week. In the meantime, we have not been able to spare Cathy or Jerrie to enable them to be out front to answer the phones. They do, however, check the "general delivery mailbox" regularly for messages. I am sending you all a phone extension list with this email to make it a little easier for you to reach us. Please note that when the automated attendant (me!) begins speaking, you can press the extension at anytime--you do not need to wait for the message to finish. I would like to let you all know that to my knowledge, we have not received any complaints from callers regarding the lack of a receptionist. Although, we are all anxious to have Janice back!
