The FedEx forms Cathy forwarded arrived this afternoon, so I'm going to try and get the computer sent back to you before the end of the afternoon, if possible. Hereafter, if you need me, you can either call me, or contact me via regular e-mail, either at "jpfreeman@webtv.net" or at "carolynr@idsa.com".I'm trying not to be sad about this -- it's only a machine, after all!
