Body:	Please check to see where E-forms is located and put on my computer if not there (with all the files that now exist within it).I'll also need Excel and the x drive files on my hard drive once the network goes away.Also, can you look at the monitor that I put in my office for the Disabilities Council and make sure that it goes with the Pentium that I took? Also, can you give me a keyboard and mouse that will go with it all?Thanks. (I'm sure I'll have more later!)
