Subject:	Re: LBJ Records
Body:	To: Jeremy Gunn/ARRBcc: Joan Zimmerman/ARRB(bcc: Non-Record/ARRB)From: Irene Marr/ARRBDate: 08/01/97 02:25:53 PMSubject: Re: LBJ RecordsRather than continuing to try to figure out who told what to whom in the Houston-Machado-ARRB conundrum, can't we just proceed with getting these records open? We should tell Machado what the Library sent us, reconfirm Secret Service consent to release, and have the LBJ Library do their part. Where possible release the documents as a group (i.e. the gate receipts) to facilitate and expedite the process. We should also request the full set of records for which Tina only sent up samples. We should also confirm that this set is indeed the universe of USSS records at the LBJ Library. I am sure Joan will have more to say on this subject since she is more knowledgeable about the importance of and interest in these documents.To: Irene Marr/ARRB, Joan Zimmerman/ARRBcc: David Marwell/ARRB From: Jeremy Gunn/ARRB Date: 07/31/97 04:02:04 PMSubject: LBJ RecordsPlease give me a recommendation on how we should handle the USSS documents from LBJ library.
