To: Jeremy Gunn/ARRBcc: Bob Skwirot/ARRB, Manuel Legaspi/ARRB (bcc: Non-Record/ARRB)From: Irene Marr/ARRB Date: 03/18/97 03:18:47 PMSubject: SCI RecordsSome of the records the LBJ Library sent to NARA contain codeword material. I thought it would be useful to have someone review it before we go to Austin. Obviously it won't be you or I,however I thought Bob or Manuel might be able to go out there, provided they have the appropriate access. If you don't think it's important to have a look at it before we go to the Library we can wait until after we return, at which point hopefully I will be cleared to see it.
