Subject: Max Kennedy and RFK papers
Stephanie called to tell me Max is being difficult. He's claiming we've changed the rules and that now there are a lot more documents than he originally believed. Stephanie has expressed her consternation and reassured me that she and Brad Gerratt have been trying to push this. SHe is worried about the Board's reaction. I told her the Board would be disappointed, but was not sure what they would want to do. (I suspect some members will think we should have deposed the Library ; I see this as a problem with Max not the Library; these papers are on deposit after all.) She is going to draft a letter, to the Board I think, and fax me a copy. Max wants her to send him a copy so that he "will know what he said." Let me know if you want me to discuss this with the Board, or if you want to relay the bad news.
