**Subject:** Max Kennedy  
Before alarming the Board, Stephanie called me back right away to say the Max is now scared, based on whatever she and Will Johnson told him that the Board was going to do is he didn't cooperate. He is trying to get a hold of John Seigenthaler, another member of the RFK donor committee for advise on the release. Stephanie is now much more sanguine about the whole thing. I should know one way or the other by tomorrow.
