Subject: Missing Church Committee Referrals

My sources at Joint Staff and Navy (re: Robert G. Halley) and with the Army (re: M.P. Hubbard), regretfully, do not recognize these names or specifically recall seeing any such documents. I do not recall them either, unfortunately---nothing about them whatsoever. But if you say you gave them to me, then I believe you. Unfortunately, since I have shredded all of my working papers, I cannot preclude the possibility that they were inadvertently destroyed. However, I CAN guarantee that they are not on my shelf now "for action." If you want to give them to me again, I can pass to these agencies for review and subsequent return to Steve Tilley. (Or you can just have the Board vote---based on my opinion of what is "kosher.")
