Subject: More documents from JFKL
The following documents were included in my numbers for the Board vote at the Sept. 8 meeting, but at that time they didn't have RIFs. The JFK Lib has since created the RIFS which are as follows:Consent Releases176-10031-10066176-10031-10067176-10031-10068176-10031-10070176-10031-10071Postponed in part 176-10031-10069Because these aren't in the JFK database that we have in the system, the ident aids wont be complete.
