Subject: My apologies.

I have been feeling progressively worse since arriving this morning--and so I unfortunately need to cancel the meeting and go home.I am asking Cathy to distibute to everyone a copy of the J-Track printout. Please make sure that your own computers have J-Track installed and check the view that shows what projects have been assigned to you. On Monday or Tuesday, I would like to talk to you about your projects and hear your ideas for additional projects and get your suggestions on modifying projects as they now stand.Please have a nice weekend.
