Subject: Compliance Program Organization

Body: I have been asked questions about our Agency Compliance Program and I thought it might be helpful if I were to provide a brief description. I will be supervising the program; Ron will be responsible for all day-to-day operations. For all practical purposes, Ron will be the point man for ensuring compliance, conducting interviews, liaison, depositions (if needed), and drafting correspondence for all agencies (with the possible exception of the CIA and FBI). For each interview he conducts, Ron will attend (whenever possible) with the relevant ARRB staff member. The ARRB staff member should provide Ron on an ongoing basis with insight, background knowledge, and suggestions. Please talk to me or to Ron about any questions you might have.
